

Team Contract

Project Title: Sisyphus' Schedule

Course/Organization (optional): COSC 4950

Team Members:

1. Collin Davis
2. Nolan Nachbar
3. Lily Brongo
4. Thomas Hinckley
5. Tesla Norton

Purpose

The purpose of this team contract is to establish clear expectations, deadlines, responsibilities, and communication standards to ensure successful and timely completion of our project.

Project Milestones

Milestone	Description	Due Date
Component Completion Deadline	Each team member will complete their assigned part of the project	February 14th
Internal Testing Phase	Team will integrate, debug, and test all components together	February 15th – February 28th
Public Deployment	Project will be deployed for public or external testing	March 1st

Team Expectations

1. Completion of Work

- Each team member agrees to complete assigned tasks by **February 14th**.
- Code or deliverables must be tested and ready for integration.
- All work must meet agreed quality standards.

2. Communication

- Team will provide progress updates regularly or during meetings.
- Members must notify the group **as soon as possible** of any delays or issues.
- Preferred communication platform: Text and Discord (Discord, GroupMe, Slack, etc.)

3. Meetings

- Regular team meetings will be held on: Tuesdays 4pm to 5pm (days/times)
- Attendance is expected unless prior notice is given.

4. Quality Standards

- Code must be clean, well-organized, and documented.
- Follow project structure and naming conventions.
- Work must be original and collaborative.

5. Accountability

If a team member fails to meet expectations:

1. A reminder will be sent privately by another team member.
2. The issue will be discussed as a team.
3. Tasks may be reassigned if necessary.
4. If unresolved, the issue will be escalated to the instructor/supervisor.

6. Team Behavior

- Communicate respectfully.
- Be reliable and dependable.
- Support other team members when needed.

Signatures

By signing this contract, each team member agrees to meet the expectations outlined above.
